This office acknowledges receipt of the following item from the Applicant:

Information Disclosure Statement (IDS) was considered.

Papers submitted under 35 U.S.C. 119(a)-(d) have been placed of record in the file.

Claims 25-66 are presented for examination.

Claims 25-66 are allowed.

Allowable Subject matter

The following is a statement of reasons for the indication of allowable subject matter:

Claims include allowable subject matter since the prior art made of record and considered pertinent to the applicant's disclosure, taken individually or in combination, does not teach or suggest the claimed limitations having a switching element comprising: an ion conductor capable of conducting metal ions therein; a first electrode and a second electrode which are disposed in contact with said ion conductor; and a third electrode disposed in contact with said ion conductor and including said metal ions; wherein an interelectrode distance **L1** between said first electrode and said second electrode, an interelectrode distance **L2** between said first electrode and said third electrode, and an interelectrode distance **L3** between said second electrode and said third electrode satisfy the condition according to the expression: $L1 < L2 \times 2$ and $L1 < L3 \times 2$.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
